ICVISIP 2025

2025 9th International Conference on
Vision, Image and Signal Processing

Welcome to ICVISIP 2025

It is with great pleasure that we invite you to the 2025 9th International Conference on Vision, Image and Signal Processing (ICVISIP 2025), which is scheduled to take place from December 26 to 28, 2025, in Dali, China. ICVISIP is committed to delivering a platform for collaboration and discovery, with the aim of driving progress in image, vision, and signal processing—key technologies that are enhancing our understanding of the world and propelling advancements in artificial intelligence, machine learning, and a multitude of other applications that are transforming industries and improving lives. We warmly invite your contributions and eagerly anticipate the opportunity to meet with you in person at ICVISIP 2025.

Publication

Conference presented and registered full paper will be included in digital conference proceeding, and submitted to major citation databases like Ei Compendex, Scopus etc. for reviewing and indexing.

Call for Papers

For more information, please click [here](#).

The topics of interest include, but are not limited to:

► Track 1: Computer Vision

- Object Detection and Categorization
- Machine Learning in Computer Vision
- Face and Gesture Recognition
- Activity/Behavior Recognition
- 3D Shape and Structure Analysis

► Track 2: Image Processing

- Image-based Machine Learning
- Real-time Imaging and Video Processing
- Deep Learning in Image Processing
- 3-D and Surface Reconstruction
- Automatic Image & Video Annotation

► Track 3: Signal Processing

- Adaptive and Clustering Algorithms
- Cyclostationary Analysis
- Discrete Cosine Transforms
- Discrete Hilbert Transforms
- Fast Fourier Transforms

► Track 4: Applications

- Augmented and Mixed Reality
- Autonomous Vehicles
- Environmental Monitoring
- Human-robot Interaction
- Robotic Assistance

Key Dates

Abstract submission: July 1, 2025

Full paper submission: August 4, 2025

Notification: September 14, 2025

Registration: October 10, 2025

Final Paper Submission: November 25, 2025

Main Conference: December 26-28, 2025
